

# FACE VALUE

Help reverse the main signs of facial aging

Notice the double chin prior to using Tua Viso

The double chin diminishes after repeated use of Tua Viso.

**W**HILE aging is inevitable, giving our face the proper care we can look much younger than our actual age.

Facial exercise is a safe, and effective way to help reduce signs of aging.

Tua Viso is a professional electronic facial muscle exerciser for home-use. It is designed to exercise your facial muscles to help you reduce and even reverse the signs of facial aging. You can use Tua Viso to:

1. Raise the eyebrow and upper eyelids for a

- 3. Lift your cheeks for a sculpted and firmer face
- 4. Tone your jowl area for a more defined and attractive jaw line
- 5. Reduce your double chin to give you a slimmer and youthful appearance
- 6. Help rid lines and achieve a smooth complexion
- 7. Help tightens your neck and reduce the visible signs of a turkey neck

100% designed in Italy and FDA-approved,

start seeing results after only nine sessions. (Based on independent clinical trial conducted in Bologna University, Italy).

TUA VISO is available at the Beauty Impress Mid Valley Showroom, Metrojaya Times Square and other leading pharmacies and retailers, including Caring, Vitacare, Healthlane, Constant, Revive, Maycare, Pinang Medical Supplies, Alpro, ITP and A Cut Above.
