Hard Workers

Nine products that slave away while you sit pretty, by *Hana Schoon*.**1. Maru-Man Enzyme, \$338***Four Seasons Market at Great World City #B2-07*

Made from pure botanical extracts, boost your day with this enzyme concentrate. Pleasant tasting and easily absorbed by the body, it promotes metabolism and improves digestion.

2. Coppertone No-Rub Sunscreen Continuous Spray, \$19.80

Staying protected under our blazing heat is now much easier with this fuss-free spray - no mess and no rub!

3. L'Occitane Shea & Organic Cotton Ultra Comforting Cleansing Milk, \$33*From L'Occitane stores.*

Clean and remove makeup and tone in one simple sweep. The moisturising non-rinse formula soothes even the most sensitive skins.

4. Plush Skin Awakening Premium Collagen, \$81.50*From Watson's and Guardian pharmacies*

Look better from within - just add one sachet to your food or drink for a better complexion and joints! Best of all, it's fat-free and sugar-free.

5. Clinelle Blemish Conceal & Clear Stick, \$16.95*From Watson's and selected pharmacies.*

What can be better than concealing and treating blemishes in one swift move? Also available in a clear formulation.

6. Frownies, \$54*From Watson's, The Living Pharmacy and Apothecary + Co.*

Hollywood's best-kept secret for tackling those nasty lines, these easy-to-use patches retrain those facial muscles while you sleep!

7. Neutrogena Advanced Solutions Pore Refining Peel, \$39.90

Face the year with skin that's softer, radiant and refined - all in five minutes flat.

8. Averine Line Minimizer Foundation, \$108*From Dermalogica & Lenard Drake Skincare Centres.*

Suitable for even the most sensitive skins, this provides coverage and diminishes fine lines all at the same time, to keeping your skin supple and glowing.

9. Bobbi Brown SPF 15 Tinted Moisturiser, \$63*From Bobbi Brown counters.*

For great skin without the made-up look - just in time for the weekend!
