and hold the facial muscles to stay in their natural relaxed position. The facial muscles are attached to the skin, so as you retrain the muscles, the skin becomes tighter. By holding the muscles in place, the skin is allowed to smoothen out and hence wrinkles will be reduced.

After using it faithfully for 30 days, I noticed that the crow's feet around my eyes are less visible now, no more annoying lines when I smile! Apart from that, the lines on my forehead are visibly reduced and my mouth seems to have been "lifted" a little since the lines around the corner of my mouth are softer now. I even have friends asking me if I had secretly undergone Botox injections!

At RM128 per box, which can last you for more than a month, it sounds very reasonable and affordable to me. I believe that, five years down the road with Frownies, I will still be able to maintain my age-defying look! Best of all, it

does not require any effort and is painless. It is suitable for those with a hectic lifestyle.
