

Break Down Fat, Firm Up, Slim Down and Lose Inches!

We all want to lose inches fast, and now you can achieve healthy weight loss with a body that burns the fat without dieting or the use of a dangerous diet pill. It is a safe and natural way to slim and tone your body. The secret is now yours for the taking.

The fast and easy way to slim and tone your body with TUA 360° BodyShaping Belt.

The TUA 360° BodyShaping Belt is a lightweight, portable unit that is designed to help remove your unwanted curves and help redefine your body. You're free to exercise at your own pace, at home or away, sitting or standing. Use it to tone and firm your legs, chest, tummy, thighs, hips and buttocks.

While vibrating slimming belt in the market merely massages your body, TUA 360° uses the advanced scientific technology of electrostimulation. **Electrostimulation is a very safe and simple procedure**, in which micro currents are applied to the muscle fibers of a treated area, stimulating them and making them work. The stimulation creates huge energy demand in the muscles. To satisfy this demand, muscles utilize surrounding fats as the source of energy, burning them the same as they do during a regular workout. As a result, muscles and skin become tight. Besides firming muscles, which results in an incredible loss of inches, electrostimulation also increases metabolism, fluid circulation and oxygenation of a treated area, making it a very effective tool for anti-cellulite treatment.

TUA 360° is designed to fulfill all your needs.

- Flat and well toned abdominal area
- Curvy hips
- Toned and slim thighs
- Firm and tone buttocks
- Firm and lifted breasts
- Curved and toned in all the right places

The patented ROTOFIT system of the TUA 360° makes it better. It allows the electrode to be targeted towards individual groups of muscles, positioning the electrode pairs on the various muscle groups adapting to the shape, size and position of the muscle groups. With this, you can use TUA 360° in more than just the large surface area. The ROTOFIT systems allow **TUA 360° to be use to slim and firm your inner and outer thigh, lower and upper abs, firming your breast and buttocks by positioning at the muscle group of these delicates area.**

100% designed and manufactured in Italy, TUA 360° has been in the market for 14 years. It is in conformity with stringent international safety standards and covered by major quality marks.
